Change in breast size						
Does change in breast size subside after menstrual cycle ends						
Areas of skin thickening or dimpling						
Secretions of the nipple						
Have you had any cosmetic fillers (i.e.: Botox, Restalyn, etc.) in the past 12 months?:  O Yes  O Never  O Not in last 12 months  Have you ever had a thermographic scan?  O Yes  O Never  O Not in last 12 months  If yes, please tell us when and with whom. There is a possibility we can access your past report for comparison.						
PATIENT DISCLOSURE I understand that the Report generated from my images is intended for use by trained health care providers to assist in evaluation, diagnosis and treatment. I further understand that the Report is not intended to be used by individuals for self-evaluation or self-diagnosis. I understand that the Report will not tell me whether I have any illness, disease, or other condition but will be an analysis of the Images with respect only to the thermographic findings discussed in the Report.						
By signing below, I certify that I have read and understand the statements above and consent to the examination.
